    - To be granted bilingual designation, French Immersion students must have a minimum of 12 credits in French Immersion classes/courses

# Selecting Classes

---

- ✓ The **BEST SCHEDULE** is a **FULL SCHEDULE**. **Choose 10 classes**, and work backwards from there, if needed. Once your schedule has been created, only drops will be considered.
- ✓ **Minimum graduation requirements** do not necessarily meet the "**Entrance Requirements**" of many post-secondary institutions. Students should **select their classes wisely**, keeping in mind their post-secondary goals and corresponding entrance requirements.
- ✓ Grade 11 & 12 students must register in a minimum of **8** classes and must take at least four classes per semester.
- ✓ Students must complete a minimum of **8** classes to be considered for Gold, Silver, and Bronze Proficiency Medals, but general Honour Roll does not require a minimum number of classes.
