Selecting Classes

- ✓ The **BEST SCHEDULE** is a **FULL SCHEDULE**. Choose 10 classes, and work backwards from there, if needed. Remember, it's easier to REMOVE classes than to ADD classes later on...
- ✓ Minimum graduation requirements do not necessarily meet the entrance requirements of many post-secondary institutions. Students should select their classes wisely, keeping in mind their post-secondary goals.
- ✓ Grade 11 students must register in a minimum of 8 classes and must take at least four classes per semester.
- ✓ Grade 11 & 12 students must complete a minimum of 8 classes to be considered for Honour Roll

What happens if I failed a class this year?
