4 Types of Students We Come Across:

- 1) Students who want to meet the basic graduation requirements, and then go into the workforce
- 2) Students who know that they want a post-secondary education, but haven't decided on their field of study
- 3) Students who have a set post-secondary career plan – they know what they want to study and where they want to go
- 4) Students who feel lost, and break down at the thought of leaving high school

Graduation Requirements

THE CREDIT SYSTEM

High school students (Grades 10, 11, 12) operate on a credit system. For each class successfully completed, students earn one credit.

- ✓ Students require a minimum of 24 credits to graduate
- ✓ 16 classes (credits) are compulsory for the English program. Therefore, students have a minimum of 8 electives.
- ✓ 17 courses (credits) are compulsory for the French Immersion program. Therefore, students have a minimum of 7 electives.
- ✓ French Immersion students must have a minimum of 12 credits in French Immersion classes/courses

Graduation Requirements (English Program)

Five credits must be at the 30-level

At least 6 electives must be at the 20 or 30-level

Graduation Requirements (French Immersion Program)

Five credits must be at the 30-level

At least 5 electives must be at the 20 or 30-level

Students must achieve 12 French Immersion credits (required among them are Français10, 20, 30)

Selecting Classes

- ✓ The **BEST SCHEDULE** is a **FULL SCHEDULE**. Choose 10 classes, and work backwards from there, if needed. Remember, it's easier to REMOVE classes than to ADD classes later on...
- ✓ Minimum graduation requirements do not necessarily meet the entrance requirements of many post-secondary institutions.
- ✓ If students are planning on attending a post-secondary institution, please ensure that the classes selected will meet entrance requirements for program(s) of choice.
- ✓ Students must complete a minimum of 8 classes to be considered for Honour Roll.

Retake

Retake the course at LeBoldus in the 2025-2026 academic year
• **Be sure that you speak with a Guidance Counsellor to discuss this option!**

Why is it so important to pick classes carefully?

The classes students choose now will determine how many sections (classes) we make for each course.

The classes that students choose now, will also determine which careers students can go into when they are done high school.

Planning For The Future

Students who are undecided about their education, career or life direction should utilize www.myBlueprint.ca

There will be a brief tutorial on myBlueprint following our presentation for any families who are interested.

Planning For The Future Continued...

- ✓ Visit our EDSBY Post-secondary & Careers Information page often – we add new opportunities as they are sent our way!
- ✓ Consider choosing electives that develop one's interests.
- ✓ Visit Student Services & listen to announcements about Career Fairs, Post-Secondary Workshops or Spend-A-Day Programs.
- ✓ Re-Evaluate your direction by keeping your options open and re-assessing them each year.

What is your post-secondary plan?

OR

What are your 'maybes'?

What is your plan for after high school?

What have you ruled out?

What is on your 'maybe' list?

Planning courses around your 'maybes' is important as you move into Grade 11 and Grade 12.
