## E. Electives

All Grade 11 students must select a minimum of 8 classes (★ = Choral, Band, Vocal Jazz, and Instrumental Jazz may be taken in addition to the 8 required classes.)

### NOTES:

- ✓ *If you selected more than one Math or Science class, these would count as additional electives.*
- ✓ *Although a 20/30 level Social Science is not required for graduation, some post-secondary institutes might require that applicants have one of these completed in their grade 11 year. Therefore, if you plan on going on to post-secondary, we suggest taking one of these as an elective: History 20, Law 30, Psychology 20, Psychology 30, or AP Psychology 20/30. Even if it is not required by a post-secondary institution, it can often be used as an elective for early admission. 30-level Social Sciences can often be used to meet final admission requirements for post-secondary institutions.*
- ✓ *High Performance Phys Ed 20 and Phys Ed 20 are considered 'like' courses, and therefore students will only receive one credit if they choose to take both classes.*

## Student Entering Course Requests On MSS Student Portal

The link to NYR course selection is <https://mss.rcsd.ca/>

All student's will have a user account in MSS that will allow them to select courses for next year. Students login credentials are the same as their regular computer username and password.

### My Info Top Tab > Requests Side Tab

The screenshot shows the MSS Student Portal interface. At the top, the header reads 'Regina RCSSD 81 2022-2023' and 'Abdel, Kelley'. Below the header is a navigation bar with tabs: 'Pages', 'My Info' (highlighted with a red box), 'Academics', 'Groups', 'Calendar', 'Locker', and 'Quest'. On the left side, there is a sidebar with various options: 'My Details', 'Transcript', 'Current Schedule', 'Contacts', 'Attendance', 'Assessments', 'Notifications', 'Requests' (highlighted with a red box), 'Request Details', and 'Graduation Progress'. The main content area is titled 'Requests' and shows a summary for the 2023-2024 school year: 'Requests: 8 primary, 0 alternate - Scheduled: 0% - Credits: 8.0'. Below this is an 'Instructions' section with a welcome message and a list of 'Primary requests'.

From here you can see the available courses you can select from. All of the Subject areas are listed, and when you click on the Select button beside the subject area, that will open a new window that will show you all the subject area courses. Some of the subject areas will have more than one page of courses available. You can scroll to the next page of courses using the drop down, or the next page arrow.

The screenshot shows a window for selecting courses under the 'Electives 20' subject area. It includes instructions to 'Select GRADE 11 electives' and a note about selecting additional courses for Choral, Vocal Jazz, Band, and Instrumental Jazz. A dropdown menu is set to '11 PAA SURVEY B20'. Below this is a table of available courses with checkboxes for selection.
